We would love you to join us!

The children will be travelling by bus but to keep cost down we ask that parents meet us at the Gore Multi Sports Complex just off Robertson Street. **If you intend skating and swimming please pay at the counter on arrival.**

All adults helping at ice-skating and swimming must be police vetted – please fill out the form available from the school office.

The cost for children is \$16.00 to be paid to the school office.

The children will need to take a cut lunch, drink bottle, swimming togs and towel. They will need to wear warm clothing, thick socks, hat, gloves, etc. (no scarves). Spare trousers and socks are also a good idea.

Ice Sports Southland also recommend children wear a safety helmet when ice skating.

It is also helpful to write your child's shoe size on their hand (for the correct ice skate size).

Please fill out the permission slip below and return with payment to school by Thursday 5th July 2018. We hope you are able to come along and enjoy the fun!
