

# Edendale Home & School Social Fundraiser

30 JUN 2018

Thank you to those who took the time to complete our Home & School survey - we've listened to what you wanted and are pleased to bring you  
**MINUTE TO WIN IT**

This is our major fundraiser for your kids/school and we need you to support it!

Minute to Win It is a fun night where five teams of three compete across seven rounds to finish a task in under 60 seconds. Points are awarded to the teams who complete the task, with the highest points going to the competitor who finishes first.

Teams are encouraged to "dress up" in team colours, with fantastic prizes available for a variety of "triumphs". All 15 competitors will compete in the first round together, then each player must compete in two more additional rounds. There is a twist though - competitors will not know what the task is until they line up

These fun comical challenges will have you in fits of laughter - whether you're watching or competing! And, if you're not in a team but would still like to have a crack, there will be a chance for spectators to join in too!

This will be another fun R18 night out, backing up from our successful racenight last year. There will be delicious "Lamb on the Spit" sliders for purchase as well as a yummy supper provided later on. Please note that it is a cash bar only this year.

There is also no reason to drive - we will have two courtesy coaches available to take people home so you can relax and enjoy yourselves.

## **GET YOUR TICKETS OR ENTER YOUR TEAM NOW!**

You can follow this link <https://goo.gl/forms/94fDvjL1mKKipuh42>  
or phone Nicole on 027 395 0020 or 206 6965

Tickets cost \$15 each or enter your team for \$60.
